If you have an email address and have not Updated Petra in Membership with it can you please do so?
I have a lot of old emails that bounce back. We will continue to mail out a copy of the newsletter if you asked us but it is far more cost effective for the club to email it out to you. Thank you for considering this option. Mailing address: P.O. Box 61569 Brookwood RPO Langley BC V3A 8C8

Note of Interest calling all outside club members.

Please let your fellow riders who belong to other riding clubs, in the lower mainland, that, if they have a current membership with another club and have proof of paid and current membership they can ride in our shows for our membership price as a inter-club curtecy. They will not be up for awards but they will get a break on the day rates. This is a great way for us to net work with other clubs, and welcome the riders to visit us. Great inter-club relations.

Frozen water troughs.

Use a small fish tank bubbler with a long wand style bubbler end instead of an electric heater. The trough may form a ring of ice but where the bubbles come up it will be nice and open for the horse to drink from. Electric heaters cost about \$30.00 a month to run, the bubbler cost about \$2.00 And in a real long cold spell ad an old ball to help.

Stick cooking spray on the soles of your *horse's* hooves can prevent the packing of *snow*, mud, and ice. And save you from picking them out multiple times a day.

@)!@ Hopefully everyone is ready for a great new year for the club and yourselves. We have all sorts of things to look forward too.

1) Arlene is going to do the newsletter for us again LOL

2) Shelly and her sister Carolin are going to take the concession stand over. Alot of the old and a bunch of even older things on menu!

3) Evidentially our tower is in front Township Council and letters are going out to Residents in the area beginning of Feb. KEEP OUR FINGERS CROSSED!

4) I want to thank all the directors who have stayed on for another year and we have few members that have put on different jackets do other things for the club.

5) Our New Vic Pres Wendy London is going to be doing our web page Aaron has his hands full doing other things. Thanks Wendy! This is getting pretty long hope to see all of you's in the near future.

Last but not least thanks for voting me pres. for another year. I hope I can surpass everyone expectations. LOL

Note to remember:

When you are going through your wardrobe and thinking of donating some the Drill team is once again collecting those bags as a fundraiser.

If you have one, or two, or more bags please bring them to the club for the team to take care of or call Lauralee Langset she is storing them until there are enough to send in.

Thanks for thinking of us.

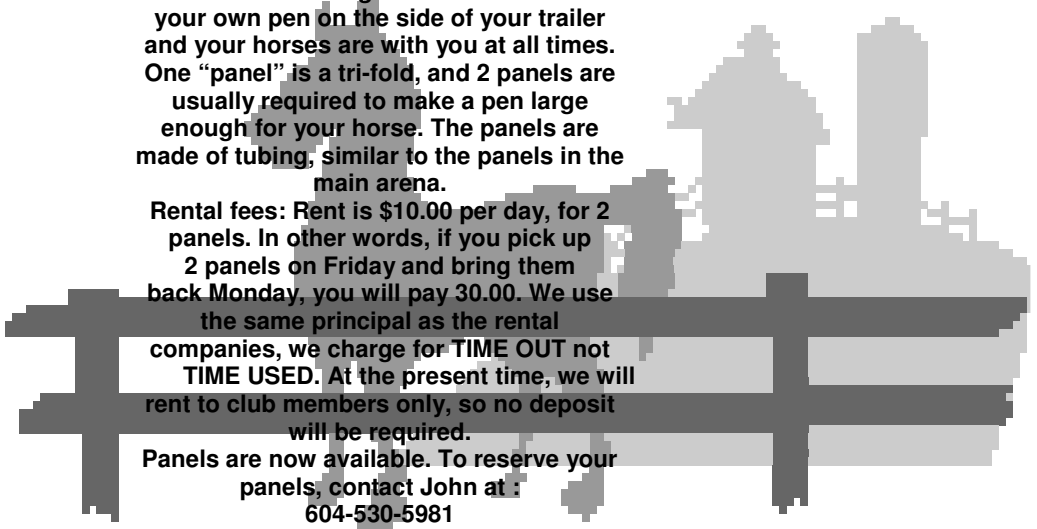

PANEL RENTALS

Langley Riders now have portable panels for rent. These panels are ideal for when you are at a rodeo or horse show and there is no stabling available. Just build your own pen on the side of your trailer and your horses are with you at all times. One "panel" is a tri-fold, and 2 panels are usually required to make a pen large enough for your horse. The panels are made of tubing, similar to the panels in the main arena.

Rental fees: Rent is \$10.00 per day, for 2 panels. In other words, if you pick up 2 panels on Friday and bring them back Monday, you will pay 30.00. We use the same principal as the rental companies, we charge for TIME OUT not TIME USED. At the present time, we will rent to club members only, so no deposit will be required.

Panels are now available. To reserve your panels, contact John at : 604-530-5981

Contact Sian to come try out !

Calling all young ladies wanting to come and try out for Royalty. We want you. 2012 might just be your year to wear the crown.

The cat came back.

So, it appears, that after my short December break, I have been asked to please reconsider my resignation . I have once again agreed to write the newsletter for this up and coming year. I will once again endeavour to keep it interesting and light. You may once again direct your newsletter questions to me. I hope I get my information correct .
Arlene.
