President/Rodeo chair:

Happy New Year Everyone!! 2011 is underway I am hoping the holidays were good for everyone. Dates are all set for Jumping, Games, English Western and LBR Rodeo. 2010 turned out to be not that bad of a year for the club despite the Global economy. The club made enough money to have a great year end awards party and not have to borrow any money to start the New year.

I am looking forward to seeing all the returning members and new members some we have yet to meet. As usual we have lots to do to get the up coming events underway please check the date calendar for work parties.

It is real nice to see all the directors returning and a few new ones. Best wishes to all.

Ted Hall

On a different subject last year we discussed a Rodeo for the not so young. One that anybody older than 19 that can ride could enter. A name has not been set Old Britches Rodeo or what have you. I am seeking help in setting this up hoping that we have enough interest. Suggestions that I have had so far are to set it up as a Calcuta Draw so that beginners and pros could compete together. What this means all entires for each event are drawn randemly. Please contact myself or anyone in the club if their are interested.

See you all later. Ted

Jump Director:

So 2011 is finally here! Last year I had a blast organizing and running the jumper show for Langley Riders, it was a lot of fun and thanks to the help of members and non members, my assistant Shelby Huish and kate Shoen, and a very special thank you to Natalie, who run, horse play your way for allowing us to invaid her barn and put on a great indoor jump show at the end of 2010, it went fairly smoothly and I'm looking forward to this years show season starting. This year once again we will be adding and incorporateing new classes for more of a challenge and good prizes for day highpoint and year end. Whether you want to go fast and compete for fastest time, or go at your own pace and just have fun, this is the place to do it. We have some new challenging jumps and fun for all. Help is always needed for the day before and day off so please let me know and I can hook you up with some volunteer hours. I would like to schedule all my help at the beginning of the year so I know who I can count on to be there after committing to help.

Kathrine Kowalik

Pro motions Director:

Hello Langley Riders:

I am Tracey Langset the new Promotions Director, mother of the Pink family.

We have four daughters, and all of them ride in all the events at LRS and yes I will try to get my horse out this year.

As most of you know, I was lucky to run the Royalty division for 4 years and am now ready to try something new.

My husband Aaron as you probably know is the Website Director which will go along nicely with my new job.

I am hoping to get the word out in all forms of media for all the Langley Riders Events and also Fundraising.

If you have any ideas or suggestions please feel free to send me an email, I am always happy to hear from other members.

I am looking forward to a great new Langley Riders year.

Giddy Up, Tracey

Building Director:

Hi My name is Paul Gildermeister and my whole family is involved with Langley Riders, my wife Nicola is your English/Western Director and has been in this position for a few years now. My children have also been showing in the club now for a few years and have had a lot of fun and made some wonderful friendships.

I will be working hard to keep the grounds and the odd jobs around here organized to get done. If you come out to the work bees and really don't want to work that is always ok, but you will not get any hours signed off for chit chat; however, if you want to chat while your hands are busy working that is great then you will get your hours signed for.

We have lots of dates set to come out and get your hours in so I look forward to working along side you all.

Paul.

Happy 2011 everyone! It's almost that time of year to start thinking about the upcoming show season and to start dusting off your riding gear. It's definitely time to start thinking about signing up to be a contestant for the Langley Riders 2011 Royalty!

This year's competition is going to be great! We will be meeting new people at the LMQHA Horsemen's Bazaar & Trade Show, having awesome clinics and riding challenges with your friends and horses, as well as parades, rodeos, and performances!

We're looking for girls to come out who want to have fun, make new friends, and be ambassadors for Langley Riders. There are three age divisions to enter; Little Miss Sweetheart (age 9 and under), Junior Princess (age 10-15, with a runner-up), and Queen (age 16-21, with Sr. Princess as runner-up). The LRS Royalty will take part in 3-6 local parades, the Little Britches Rodeo-Grand Entry, as well as various clinics and fundraising activities throughout the season.

We're going to have a great time this year, with lots of fun...and lots of glitter and bling too of course! If you're interested in being a contestant this year, just give us a call. There will be an info night in February for anyone who wants to sign up, date to be announced please watch the website!

PANEL RENTALS

Langley Riders now have portable panels for rent. These panels are ideal for when you are at a rodeo or horse show and there is no stabling available. Just build your own pen on the side of your trailer and your horses are with you at all times. One "panel" is a tri-fold, and 2 panels are usually required to make a pen large enough for your horse. The panels are made of tubing, similar to the panels in the main arena.

Rental fees: Rent is \$10.00 per day, for 2 panels. **In other words, if you pick up 2 panels on Friday and bring them back Monday,** you will pay 30.00. We use the same principal as the rental companies, we charge for TIME OUT not TIME USED. At the present time, we will rent to club members only, so no deposit will be required.

Panels are now available. To reserve your panels, contact John at 604-530-5981.

Arena use: When you are finished using the arena for practice, remember to put away the barrels, poles, jumps or whatever you were using. That way the arena is ready for the next user and/or floating.
Thanks,

John
